Sierra

2024 menu of Optional Add-Ons for Sierra

The Sierra platform can be expanded!

The member libraries can expand the Sierra system by purchasing from the following menu of items. Each year the prices below will be increased by 2% in line with our Innovative contract increase.

The items listed below are billed annually by the MHLS Business Office

Staff User Licenses

Sierra Access Licenses: All member libraries receive two licenses free of annual subscription charges. Any additional licenses beyond those first two will be charged at the rate shown below.

Annual Cost $324/ license –beginning 2024, billed in January - previously included in the member assessment.

Express Lane Self-Checkout

Self-checkout workstation licenses are required for each station. The library is responsible for acquiring the workstation and additional equipment. Please note, that there is a small amount of turnaround time to have this license profile put in place for your library
Annual Cost $503/ station; Billed in March

Telephone Notification System

Annual Cost is based on the population of the member library.   The fee covers the cost of hardware, equipment, telecom fees, system support and the annual cost carried forward from maintenance into the new iii contract. Each year the total cost will be increased by 2% and new libraries will be assessed based on their census population. Billed in November
